

## Your Stars

### Gemini: May 21--June 21

Fitting into only one crowd doesn't really work for you, Gemini. You seem to relate to all kinds of people! And because of this, you have a wide variety of friends. You'll be doing all sorts of crazy and fun things this summer. Your friends will introduce you to some new games and hobbies.

**Celebrities with this sign:** Donald Trump and Lauryn Hill

### Cancer: June 22--July 22

Grab your beach towel, sun block and your favourite bathing suit because summer is here! You're so happy you made it through another school year and you can't wait to get to the nearest beach or pool. You'll be the first to cannonball and splash all the unsuspecting people who are too scared to get wet! Have fun!

**Celebrities with this sign:** Derek Jeter and Angelica Huston

### Leo: July 23--Aug. 22

Leo, you like to be adored and admired. But you're not selfish about it! You happily return the favour to those you care for. This week you're feeling a little unattached and under the weather. Don't worry. Your friends and family haven't forgotten about you! It's just a busy week.

**Celebrities with this sign:** Brett Hull and Geri Halliwell
