

## Horoscopes

### Scorpio: October 24th - November 22nd

There's no doubt you're the most powerful sign of the Zodiac. You've got a certain power. You're pretty convincing when you want something. And you do want something—you just don't know what it is? It's like an itch you can't scratch and it's driving you nuts! You might have some trouble sleeping.

Celebrities with this sign: Calvin Klein and Hilary Clinton

### Sagittarius: November 23rd - December 21st

It's time to set off on your next adventure, Sag! Last week you played it cool, but this week you're set for more excitement. What have you gotten your friends into this time? One thing's for sure, everyone's pumped for your great idea. Get a parent's help (and permission) for this latest escapade.

Celebrities with this sign: Jamie Lee Curtis and Lucy Liu

### Capricorn: December 22nd - January 19th

October's always been a weird month for you, Cap. You'd rather curl up and sleep the rest of the month away than get that Halloween costume ready! You're too bored to stay awake this week, but by Halloween you'll be ready to get as much candy as you can into the biggest pillowcase you can find!

Celebrities with this sign: Jude Law and Kirstie Alley

### Aquarius: January 20th - February 18th

Having friends together for a good time couldn't make you happier! But you've been spending too much time at home lately and this week you'll try to convince a buddy to have a back-to-school blow out! But don't be surprised if his or her parents aren't too keen on the idea.

Celebrities with this sign: Heather Graham and John Travolta

### Pisces: February 19th - March 20th

It doesn't get much better than this. Does it, Pisces? You're super relaxed, everything is going great at school, you're having the greatest time with your friends. It's awesome! And being so relaxed helps you see things clearly. You'll figure a lot out this week!

Celebrities with this sign: Johnny Cash and Peter Fonda

### Aries: March 21st - April 19th

This week, you've got to just sit back and enjoy life, Aries. There's a lot of stuff going down right now and you have no control over it. So instead of getting stressed out about it, just stay out of it and concentrate on something else! I know it's going to be hard, but you'll have to try.

Celebrities with this sign: Alyson Hannigan and Anthony Michael Hall

### Taurus: April 20th - May 20th

Forgetfulness is getting the best of you this week, Taurus! Grab a pen and paper and leave notes for yourself everywhere. Tape them to your book bag, lunch sac, bedroom door, windows and locker. Heck, even tape the notes to yourself, if necessary. There's some important stuff coming up this week that you definitely don't want to forget!

Celebrities with this sign: Andie MacDowell and Jack Nicholson

### Gemini: May 21st - June 21st

Gemini, you need a challenge! You're on a fast train to Dullsville—Population, YOU! You're friends aren't that exciting and you can't seem to get them to do anything fun. So you'll have to rely on yourself for a good time! This week start on a new project— maybe learning how to sew or building a model rocket.

Celebrities with this sign: Keenan Ivory Wayans and Liam Neeson

### Cancer: June 22nd - July 22nd

It's been a tough week. You're bummed because it's almost time to head back to school. You need to lighten up a little! Get out of the house and enjoy the last few days of summer. Try getting your friends together for a game of basketball or soccer.

Celebrities with this sign: Chris Isaak and Danny Glover

### Leo: July 23rd - August 22nd

Leo, you've got high expectations! And when things don't go your way, you set yourself up for big disappointments. You'll find more happiness if you don't expect things to go exactly as planned! This week, it's all right to show the real you. You'll get more attention that way. Leos love the spotlight!

Celebrities with this sign: Earvin "Magic" Johnson and Jennifer Lopez

### Virgo: August 23rd - September 22nd

It's okay to have fun, Virgo! A big party or school dance is coming up and you're not too sure what it's going to be like. Don't let your uncertainty stop you from going! You'll have a super time! Make a list of things you'll need to do before the big day—new shoes, pick a tie or dress...

Celebrities with this sign: Bruce Springsteen and Claudia Schiffer

### Libra: September 23rd - October 23rd

One thing you hate is feeling pressure to keep up with the latest fashions. Why do you have to be a slave such things? You don't really care if you've got the newest and slickest sneakers, pants or shirts. You just want to be yourself. This week you'll learn your real friends respect you for that!

Celebrities with this sign: Ashlee Simpson and Chevy Chase
