

YOUR STARS

Leo: July 23rd - August 22nd
 Leo, you've got high expectations! And when things don't go your way, you set yourself up for big disappointments. You'll find more happiness if you don't expect things to go exactly as planned! This week, it's all right to show the real you. You'll get more attention that way. Leos love the spotlight!

Celebrities with this sign:
 Anna Paquin and Betty Boop

Virgo: August 23rd - September 22nd
 You're kind of uncertain of some stuff going on with your friends this week. And that really bothers you! Try to find some order at home with your family and don't get too worried or wrapped up with what your friends are up to. You'll be better off staying out of it!

Celebrities with this sign:
 Andy Roddick and Cameron Diaz

Libra: September 23rd - October 23rd
 You like to be comfortable, Libra! And you want your bedroom to reflect that. Being surrounded by nice things and having friends to share them with makes you happy. This week do a little redecorating in your room—move some furniture or maybe paint a picture and hang it on your wall. Then have some friends sleep over to celebrate!

Celebrities with this sign:
 Alicia Silverstone and Hugh Jackman

Scorpio: October 24th - November 21st
 It may seem that you're uninterested in what's going on, Scorpio. But you're keeping quiet for a reason. You're watching! This week, you seem obsessed with what makes you different from all the other people around you! You'll learn a lot about yourself. learn a lot about yourself.

Celebrities with this sign:
 Eve and Anthony Kiedis (Red Hot Chili Peppers)

Sagittarius: November 22nd - December 21st
 It's time to set off on your next adventure, Sag! Last week you played it cool, but this week you're set for more excitement. What have you gotten your friends into this time? One thing's for sure, everyone's pumped for your great idea. Get a parent's help (and permission) for this latest escapade.

Celebrities with this sign:
 Aaron Carter and Christina Aguilera

Capricorn: December 22nd - January 19th
 Cap, you're on a quest for information! You're into a new hobby and there's not much your friends and family can do to stop you from talking about anything else. This week, you'll spend most of your free time researching your fun, new pass-time. But don't wear yourself out!

Celebrities with this sign:
 Bobby Hull and Jude Law

Aquarius: January 20th - February 18th
 Sometimes you feel like no one gets it! You're ahead of your time, Aquarius. Even though you're wearing a wild, new outfit that everyone is snickering about today, tomorrow they'll all be wearing it. You don't like being boring! You're a trendsetter.

Celebrities with this sign:
 Alicia Keys and Jennifer Aniston

Pisces: February 19th - March 20th
 There's an important decision you have to make, but you keep stalling. You just can't decide what to do and everyone is bugging you to make a decision. Well Pisces, you'll have to make a choice this week or you may lose the opportunity sooner than you think!

Celebrities with this sign:
 Seth Green and Wilmer Valderrama

Aries: March 21st - April 19th
 You like to do things to the extreme, Aries. And all these extremes will help you learn some great lessons. This week, you'll meet someone new. You'll have a huge crush on this new guy or girl. And because you're so extreme Aries, you'll fall head over heels, of course!

Celebrities with this sign:
 Adam Rodriguez and David Letterman

Taurus: April 20th - May 20th
 Good ol' dependable Taurus! Your friends can count on you to be there. But are you being taken advantage of? You want to be a good friend, but don't let people walk all over you. You're not a doormat! This week, it's okay to say NO!

Celebrities with this sign:
 Carmen Electra and Chow Yun-Fat

Gemini: May 21st - June 21st
 Gemini, you need a challenge! You're on a fast train to Dullsville-Population, YOU! You're friends aren't that exciting and you can't seem to get them to do anything fun. So you'll have to rely on yourself for a good time! This week start on a new project—maybe learning how to sew or building a model rocket.

Celebrities with this sign:
 Alex Trebek and Anna Kournikova

Cancer: June 22nd - July 22nd
 Jealousy can get the best of you, Cancer. Instead of being upset about a friend or sibling's good fortune, try congratulating them. You like to put off chores and homework as long as you can, but this week you're on the ball. Try to keep this up and you'll be in for a great surprise!

Celebrities with this sign:
 David Spade and Ashley Scott
